* Polycarbonate Lenses for dependent children are covered up to **\$75.00**, after applicable copay, balance is your responsibility.

** Participating Providers allow a selection of frames that retail up to **\$120.00** with lenses that fit an eyesize less than 61 millimeters. If a more expensive frame is selected, you are responsible for the additional cost above **\$120.00**. If the lenses are 61 millimeters or above, the charge for oversize lenses is your responsibility. Retail frame benefits will be converted to wholesale equivalent prices at certain provider locations, see provider directory.

*** This benefit is in addition to the comprehensive vision examination, but in lieu of lenses and frame. If contact lenses are for cosmetic or convenience purposes, the Policy will pay up to **\$120.00** toward the contact lens evaluation, fitting costs and materials. Any balance is your responsibility.

If contact lenses are medically necessary, they are a fully covered benefit. Approval from MES is required. Please refer to your Policy if you require additional information.

A 20% discount is available from selected MES providers for cosmetic extras such as tints, coatings and other add-on charges to standard lenses. The discount may be applied to charges for the frame or contact lenses (except disposable or replacement contact lenses) over the stated allowances. The 20% discount also applies to an additional routine exam or materials when benefits are not otherwise available.

Please visit our website at www.mesvision.com to determine whether your provider offers the 20% discount. Additionally, you may refer to your Participating Provider Directory or call MES at 800/877-6372.
